

## **FISCAL NOTE**

### **SJR 890**

April 3, 2008

**SUMMARY OF BILL:** Urges each county clerk to provide an area for display of pamphlets, produced and furnished by the United States Department of Transportation, which alert consumers to the possible dangers of fifteen-passenger vans. Urges the Department of Safety (DOS) to study the dangers associated with fifteen-passenger vans and the feasibility of incorporating information relative to the dangers in the Driver License Handbook, and to report its findings and recommendations to the General Assembly no later than February 1, 2009.

### **ESTIMATED FISCAL IMPACT:**

**Increase State Expenditures – Not Significant**

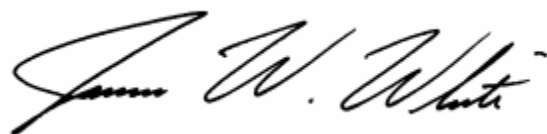

**Increase Local Expenditures – Not Significant**

Assumptions:

- Any increased cost to county clerks for displaying U.S. Department of Transportation pamphlets is estimated to be not significant.
- According to DOS, passage of this resolution would not impact any existing programs or policies.
- DOS indicates that the Driver's License Division is in the process of gathering information for other changes to the Driver License Handbook. As a result, any information derived from a study could be incorporated into the handbook at no additional expense.
- Based on information provided by DOS, any increase of expenditures for the Department to conduct the study, and to prepare and distribute a report is considered not significant.

### **CERTIFICATION:**

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James W. White, Executive Director
